

1. K-LOVE radio provides music and programming 24 Hours a day that anyone in the family can listen to without worries of anything inappropriate. Our community is blessed to have it available.
2. The effect on the local community of K-Love being replaced by an LPFM broadcaster would be to deprive our community of a source of spiritually uplifting programming which is now available 24 Hrs a day. It is the only station we listen to!
3. K-LOVE serves the public interest by providing an alternative to the filthy language and inappropriate material on many other radio stations. Parents in our community with young children can listen to K-LOVE without worrying what their children will hear. That's why I am a financial supporter of K-LOVE
